

United States Department of State

Washington, D.C. 20520

OCT 21 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more and includes the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of hardware, technical data and assistance to support the manufacture of Tactical Air Launched Decoys (TALD) and Improved TALDs with Israel Military Industries Ltd. of Israel, for sale in the U.S. and thirteen countries.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 252-02
